 VISION ENHANCEMENT  
 SUNGLASSES

**PROGEAR VISION TECHNOLOGY**

Complete Package

PROGEAR Urban Polarized sunglasses are designed for leisure and an active lifestyle. Popular and modern styling is the design philosophy and all PROGEAR Urban sunglasses are equipped with featherlite Tri-acetate polarized lenses (plano version) for the highest possible Polarization for crisp vision with 100% UV protection.

Co-developed by expert opticians and lens technologist, each PROGEAR Urban style is ensured with the most reliable Rx-able lens glazing structure as well as the widest, applicable power range. Only a limited number of lens laboratories with the best technologies worldwide are authorized to glaze PROGEAR Urban frames with precision sunlenses. PROGEAR Urban sunglasses are only available at Eye Care Professional outlets.

PROGEAR Urban exceeds expectation both in quality and value for money.
