TAKES YOU**

NEW PERSPECTIVES IN SPORTS EYEWEAR

PROBEAR[®]
O P T I C A L

Metropolitan lifestyle combined with true sports functionality.

Highest quality design delivers maximum optical support.

Imagine eyewear so versatile that shifting from office to the outdoors is seamless. With Progear's new line of active eyewear, you can look as stylish at the gym as you do at work without ever changing your eyewear. Perfect for nearly all types of casual, non-contact sports, the Progear Optical Collection offers casual styling suitable for both work and play. Enjoy the convenience of leaving work and heading straight for tennis, jogging, yoga, cycling or any other mobile activity. No matter what you're engaged in, moving from work-to-play or play-to-work has never looked better.

**— WHEREVER YOUR DAY
TAKES YOU**

OPT1101 - OPT1109

Screwless hinge,
easy assembling with no
special tools required

Wide adjustable headband
angle for ergonomic fit

Special designed
Bayonet mount for
easy interchange of endtip
and headband
(patent pending)

Earphone cable holder,
rotate to adjust fitting angle
(patented)

Neoprene headband
with washable Velcro
fastener for easy adjustment
